What to do:

We are looking for students supporting our teams to develop applications to new business requirements and being responsible for the operation of several applications and systems together with team colleagues.

Get in touch with a wide range of technologies, from cutting edge to mainstream.

You will have the opportunity to learn from our experienced developers and can also bring in your own new ideas that will help us to grow and improve.

You check these boxes:

- Enrolled student with on-going program at University (Uni, FH)
- Already gained some knowledge of a programming/scripting language, interest in new technologies and fun in solving complex tasks
- Passion for teamwork and continuous learning
- Curious and empathetic, treating all people with respect
- Immediate start for an internship with the duration of 12 months with the potential for further extension

Why you will like us:

- Possibility to benefit and learn from our international, talented and passionate community at Erste
- Great learning curve through ownership and creative freedom
- Interest groups and clubs: Take part in discussions and get involved in projects. Numerous interest groups invite you to engage with a topic
- Learning & Development – We are firmly convinced that every day is an opportunity for learning. Improve your know-how in workshops, seminars and through e-learning – from professional training to soft skills.
- New way of work: With our flexible working hours model we want to make your life less complicated. Combining the best of both worlds, remote and company time.
- We offer you a varied part-time internship position (20-30h/week). An internship salary starting up from 7€/h, depending on your skill and previous work experience is offered.

The way we are

Erste Group considers the diversity of its employees as key to innovation and success. As employer we are proud to offer everyone equal chances, irrespective of age, skin colour, religious belief, gender, sexual orientation or origin.

If you've got this far

It seems we have your interest. If you think you are a good fit for this position, please get in touch with us, we'd love to catch up.
